## Glades Medical Care Of Migrants Outstanding In US Comparison

Congressman Paul Rogers informs us that he has introduced legislation to "improve the health care facilities for migrant agricultural workers."

The Congressman states that the program as proposed would provide a three year service center in the U. S. Public Health Service, State and local health agencies in the establishment of field clinics, mobile or otherwise and provide for training and staffing of the clinics.

Urging the need for some relief for agricultural migrant workers he says "tragic stories of sickness and suffering are commonplace in some states. Further says, 'Florida makes heavy use of migrant farm labor.'"

These statements are generally true.

But, Mr. Congressman may we point out to you:

That any citizen may appear at the Belle Glade Memorial Hospital and be sure of receiving medical and/or hospital treatment thru:

1. A sick clinic attended by all members of the Staff in turn where professional services are available, with ability to pay a secondary consideration.
2. A maximum baby clinic, where expectant mothers may receive proper treatment, advice, thru delivery and post-natal care for a total of \$30.00 payable "as can." This children are aided into this world with no hope of pride of ancestry, nor pride of ancestors.
3. A heart clinic professional attended and serviced.

That the Florida Fruit and Vegetable Committee has established a clinic for the care of less serious cases of sickness and with nursing and medical attention as demanded, by imported labor.

Twenty to 30 percent of the operating budget of the Belle Glade Memorial Hospital's annual budget of approximately \$380,000 is written off for indigents. The medical work in these cases is done by the hospital medical staff.

The Administrators of the hospital, as well as the taxpayers of the district, will appreciate any relief from this physical and economic burden, without saying, except the indomitable bureaucratic domination that might accompany such relief.

## Sugar Legislation Fla's Bright Star Says Cong. Rogers

Congressman Paul Rogers, sponsor of legislation increasing Florida's share of the United States sugar market, today expressed his satisfaction at the outcome of the 1962 Sugar Act. The Sugar Act, passed earlier by the House of Representatives and altered in the Senate, has received final approval by the House. A House and Senate Conference Committee agreed Friday to settle the differences in the two versions of this measure. The legislation apportions the United States Sugar market, giving shares to that market to foreign and domestic sugar producers. The domestic share of this market divided between growers of sugar beets and sugar cane, with Florida a sugar cane growing state.

In his comments Congressman Rogers said: "I am greatly pleased in the action of the House of Representatives in adopting the final version of the sugar bill. In the bill, our State will be given a 5 year program to plan and expand on. As a main and Sugar cane growing state, we will share in the mainland cane quota which will be increased each year some 35 percent to 895,000 tons in the first year alone. This new quota will be increased each year as the United States sugar consumption increases. In addition to a large basic quota, an added feature of the Sugar bill is the provision allotting 65 percent of the annual growth of the United States sugar market to the United States industry."

The increased quota for domestic producers was gained by reducing the quota previously allotted to Cuba and other foreign producers. Under this new legislation, no sugar would be purchased from Communist Cuba. The pre-Castro portion of the Cuban quota, which was not reassigned to the United States industry, was redistributed to friendly foreign nations.

As an additional comment on the new Sugar Act Rogers said: "It is gratifying to see the Congress realize that our own people should be allowed to produce more sugar. In approving this new bill, Congress has put into action the rich sugar potential of our state. I feel in this new opportunity for Florida's \$100 million sugar industry. As a result of this bright new star in our economy we will have even more jobs and opportunities for our people of the State."

May Cigarette Sales Give 4 Glades Cities \$19,257 From Taxes

South Bay, Pahokee and Clewiston received a total of \$9,232 from the division of cigarette tax collected during June for May sales. Belle Glade received \$10,025 as it's share.

Of the three cities in Palm Beach County, Pahokee, South Bay and Belle Glade, the total received is \$15,000, of which Belle Glade and South Bay received \$11,625 or approximately 74 percent of the gross.

## County Budget Up - Millage Down Homestead Expected To Be 50,000

County Commissioners have adopted a tentative 1962-63 budget of \$12,077,000 that will require no increase in taxes next year. In fact, the new budget will actually result in a slight cut in taxes as far as the commission is concerned.

Other tax-levying bodies, such as the School Board and the various hospital and inlet districts, must still set their budgets based on new 1962 assessments of property in their areas. If budgets are kept at 1961-62 levels, the increased property valuation may provide enough of a base so that the various millages can stay where they are.

Next year \$6.2 million will be collectible in taxes. The balance of the budget comes from State, Federal and other sources of revenue.

Maxwell's tax roll listed homestead and personal property exemptions at \$230 million, \$17 million more than 1961's total. It is expected the number of homesteads in the county will total 50,000 in 1962 figures become available.

For the next two weeks the commission will sit as a Board of Equalization to hear complaints.

Although the commission's budget allows a decrease in the millage, this doesn't necessarily mean an overall tax cut for county property owners.

## B. G. Civitans Club Seats Officers

Belle Glade Civitans, their wives, and guests celebrated the fifth anniversary of the Belle Glade Civitan Club at a dinner at Ray's Smokehouse.

President Edward F. Allen presented R. S. "Spotty" Burr with a copy of the New English Bible in appreciation of the faithful service that he has rendered to the club.

Lieutenant Governor Gerald Hawkins of Zone 6 of the Florida District installed the officers for the 1962-63 Civilian year. Installed were President, Gerald D. Fussell; First Vice President, Marvin M. Smith; Second Vice President, Carl E. Waggoner; Secretary, Robert E. Mathews; Treasurer, Wayne Fortenberry.

Directors installed were Donald W. Fisher, Emmett D. Harris, Jr., Myron E. Ludlow, Richard R. Orsenigo, Richard A. Weston, and Immediate Past President, Edward F. Allen.

It was indeed an eye opening, and I hope a rewarding experience, and a good idea.

Mr. Wooten appears to me to be very conscientious and interested in his work. BUT

I was shocked by one thing he told me. That was only patrolling the pavement on the road right-of-way, that he had no authority on any other part of the State road right-of-way. This, regardless of obstruction of side road entrances or approaches or cross roads. This shocked me, because, if a car is parked on the shoulder of the road, you cannot see a car coming while you are sitting in your car, until you pull your car front on the Highway, which to me is extremely dangerous, especially in the country where the speed limit is 65 miles per hour.

Taken, also signs or other obstructions at crossroads.

The reason I am writing this letter is to inform you fellows and the Public of my observations and hope the Powers that be, do whatever is necessary to correct this situation. It appears to me this best could be done by the State Road Patrol because they are well trained and cover the territory anyway, and also to include incorporated towns for a double check on the City Police Forces.

In other words stop accidents before they happen.

If anyone cares to discuss it with me after regular meetings, I will be happy to do so.

Respectfully yours,  
 C. A. Bailey

 Dear Fellows (Copy sent for reprint in Belle Glade Herald)

I was with pleasure served Rotary on call from our Secretary, Bobbie Hooker to ride with one of the State Road Patrol or sheriff sometime during the 3rd or 4th for a few hours.

I selected 4 to 6 p. m. July 3rd and Mr. Lee Wooten from Pahokee called for me at 4 p. m.

It was indeed an eye opening, and I hope a rewarding experience, and a good idea.

## Over \$2 Million Florida Produce Used By Winn-Dixie

A total of \$2,005,923 worth of fresh Florida produce was purchased in the last growing season by the local field buying office of Winn-Dixie Stores, Inc.

The produce was marketed through the company's 565 supermarkets throughout the South.

They returned to the Belle Glade dock by four and some of the girls enjoyed skiing back in the rim canal.

**If you take your truck for granted**

...it's a good one!

A truck that doesn't call for a lot of attention, that just does its job every day, is a great asset. This is the thing most users tell us they like about Chevrolet trucks—their reliability. And this, of course, comes from quality. Sound engines, strong frames, double-wall construction, insulated cabs, separated bodies and cabs, tight tailgates... are some of the things that help Chevrolet trucks work longer and bring back more of your investment at trade-in.

If you wish you had a truck that cost you less thought and attention, put your money on quality. Make your next buy a dependable Chevrolet truck.

# BG Residents 30 Years Move To N. C.

Martha and Ralph Freeman, after approximately three decades of activity in the Glades are leaving to contemplate and "sit out" their remaining days in the mountains of western North Carolina on Lake Summit, at Tuxedo, N. C.

Jay, the only child, is attending Furman University at Greenville, which is a few hours drive from their mountain home.

Martha's activities in the community have found a welcomed participation in church work. Girl Scouts, a supply teacher in the local schools activity in the Garden Club, Women's Club, and PTA.

Mrs. Freeman's association with PEO took in most offices including the Presidency.

Participation in Eastern Star activities resulted in her service as District Grand Instructor, as well as assistance in all phases of Auxiliary work with the Masonic membership in this area of Florida.

Ralph's major activities have been associated with the American Legion and service men, as well as with Palm Beach Lodge, which he served as Master.

Nebraska Visitors Enjoy S. Florida

House guests of Mr. and Mrs. LeVern Gingham, Vice-President of Farmers National Company of Omaha, Nebraska, and his wife and daughter, Mrs. Gingham, are a niece of Mrs. Gaskell. Mr. Gingham had been attending a convention of the Farmers National Company at Raleigh, North Carolina, and had stopped enroute to Belle Glade for a short visit with Mrs. Gaskell's brother and wife, Mr. and Mrs. William Cullen Bryant at their summer home in Balston, North Carolina.

They enjoyed swimming, picnicking, and sightseeing while here, getting in trips to Miami, Key West, West Palm Beach, and Fort Pierce, as well as side trips in our Glades area. They left with good impressions of Florida, citrus fruit, mangoes, souvenirs, and a determination to return again some day.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Psalm 31:19-24

Be watchful stand firm in your faith, be courageous, be strong. (I Corinthians 16:13, 14)

One morning from the next room I heard Mother call my twin sisters: "Mihoko, you must clean out the Buddhist altar. Chihoko, you go buy some flowers for it."

I was at a loss what to do. Only a few days before I had taught them, "Children, obey your parents. They must obey Mother; yet this altar involved idol worship, which God has forbidden."

I prayed as I waited expectantly. If they would stand firm in their faith, they could be good witnesses to Mother. There was silence for a few moments. Then I heard Chihoko's voice. "Mother, I cannot buy flowers, for Buddha is not God." Mihoko added: "I feel the same way Mother."

I was happy to hear their answer. To my surprise, Mother said nothing. Soon I heard the sound of her wood sandals as she herself went down the street.

If we are watchful and stand firm, we always find ways to express our Christian faith.

**PRAYER:** Dear Lord, grant that we may trust Thee in the sure confidence that Thou carest for us always. Uphold us in all circumstances of life, and strengthen us in loyalty and in our service to Thee. For Jesus' sake, and in His name we pray. Amen.

THOUGHT FOR THE DAY

I will be watchful and firm in faith today.

## Methodist To Hear Dr. Harry Henry At Services Sunday

Dr. Harry H. Henry of West Palm Beach will be the guest minister at the Methodist Church at Sunday services, morning and evening, in the absence of Rev. Boland who is on vacation.

Dr. Henry received his D. D. degree from Florida Southern College and in 1937 an thereafter served at the Methodist Church in Lake Worth for a number of years. He also served in churches in Pennsylvania and New Jersey, and was a delegate to World Council of Churches in Evanston, Ill. This past year in June he retired from the Methodist Church at Wilkes, Barre, Pa., and is residing in West Palm Beach.

Dr. Henry is the father of Dr. F. E. Henry, who is married to the former Louise Hollingsworth of Belle Glade, who has also preached at the church here.

### Sermon Topics

Rev. James Fenton, pastor of First Baptist Church, South Bay, announces his sermon topics for Sunday. At the morning service he will speak on "Wanted, Men Like Paul" and at the evening service his subject is "Life, What Is It?"

## Witness Conv'n Deemed Successful

Mr. Joseph P. Dixon, minister of the Belle Glade congregation of Jehovah's Witnesses, said a weekend district convention of the religious group was a "tremendous success."

The Belle Glade congregation sent a record 50 delegates to the convention. Dixon said education sessions outlined future expansion plans and how to cope with growth in Florida congregations.

The peak attendance was 5238 and three overflow areas were used to handle the crowds. Hundreds of folding chairs were placed in the lobby areas on both sides of the Palm Beach Jai Alai Fronton, the convention site.

"Convention officials were shocked at the number attending the principal address," Dixon said, "and a large circus-type tent was used to handle much of the overflow crowd."

J. W. Chalfredo, permanent chairman of the convention, delivered the lecture entitled, "Take Courage — God's Kingdom is at Hand!" He said "this is a time that calls for courage! This is a time to take courage! Because God's Kingdom is at hand."

"We must admit that here on earth this is a most disordered world," he said, "and mankind has never before known the like of it. But we must look up and beyond into outer space, and there we see awe-inspiring order, regularity, balance and interdependence among the heavenly bodies, day and night. This beautiful, wonder-inspiring system in the heavens existed billions of years before modern nations rocketed men into outer space," he said.

"Now... with a threat of weapons developed by the nations some say man's disorder on earth will be carried into outer space. But we do not need to fear that," Chalfredo said, "the order and harmony of the heavens will be brought down here to earth and set upon a foundation that no evil-minded man can ever overthrow."

"There is every valid reason now for us to heed the exhortation that comes forth from the Bible, 'Take Courage' for God's Kingdom is at hand."

A mass baptism was the highlight of the convention, with a total of 103 persons immersed in the waters of a private swimming pool in the special services.

"These persons completed an intensive instructional program," Dixon said, "and now have entered a life in the ministry. This meeting was not a revival but a regular part of our instruction program designed to improve our preaching and teaching abilities," he said.

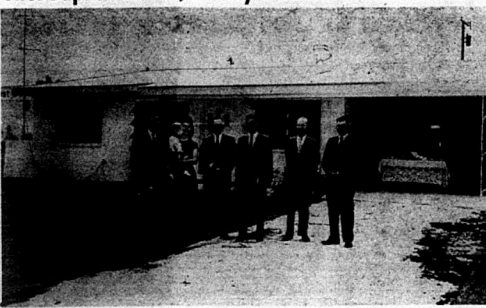

## Vacation Bible School At Church of God

## Baptist Church To Operate Kindergarten

First Baptist Church has again taken a giant step forward in expanding its overall ministry. Beginning in September, a Kindergarten for five old children and a nursery school for four year old children will open. It is anticipated that a large enrollment will be the result of this forward step with a gradual increase in enrollment each year, thereafter. The church agreed to begin a Kindergarten and a Nursery School with the understanding that well qualified and trained workers should be employed through out.

The Kindergarten of First Baptist Church will afford children of Belle Glade an opportunity to prepare themselves for first grade in public school. Secondly, the Kindergarten will teach children five years of age how to better get along with other children in their home in their neighborhood. Reverend Luther A. Key, pastor.

## Adventist Churches To Have Joint Meet

The local Adventist church will be host to its sister congregation of the Seventh-day Adventist church of Okeechobee, this Saturday. The two congregations, both under the ministerial charge of Pastor Donald E. Wilkinson, will meet at 9:30 a. m. for a Sabbath School program featuring participation from both groups. The morning worship hour following will also be directed by officers of both bodies.

Such District Conventions, when members of the two churches congregate together for worship are scheduled four times a year, and are known as "high days" in the worship experience of both churches.

Following a fellowship dinner, a special Sacred Song Festival is planned, with congregational singing the order of the afternoon.

The speaker during the morning worship will be Elder Richard E. Pleasant, Jr., of the denomination's Church Development Service. He has been consulting with both Church Boards over the last two weeks about proposed parochial school and church building plans.

## Jasper Minister Farmer, Building Contractor Named Rural Minister Of The Year For Fla.

I. T. Carter, Jasper, has been named Rural Minister of the year for Florida. He is pastor of the First Baptist Church of Lee.

He is among 14 ministers from the South honored by The Progressive Farmer and Emory University School of Theology Atlanta. This is the 14th year that outstanding ministers have been recognized. Certificates of recognition were presented at a banquet at Emory on July 11.

The August issue of The Progressive Farmer cites him for 14 years of service that has helped churches of other denominations with planning and building.

Mr. Carter is serving his second year as Moderator of the Middle Florida Baptist Association. He has served as a member of the Baptist Hospital Board. He has cooperated with the Parole Board in helping to place parolees for jobs.

Florida's Rural Minister of the year was named on a farm in Hamilton County. The Carters have no children of their own, but have made a home for four foster children.

## Hong Kong Grads Told

## Atheist Soviet Cosmonaut demonstrated Complete Faith In Laws Not Man-made

Although he is an atheist, Soviet cosmonaut Titov nevertheless made a dramatic demonstration of man's faith in God when he plunged into uncharted outer space, Stetson University President J. Ollie Edmunds told Hong Kong Baptist College graduates in Hong Kong July 8.

Though Titov insisted that he will work today, and that if he relied completely upon laws and forces not made by man," Edmunds asserted.

Further, this cocky Russian demonstrated his complete faith that such laws are eternal, that if they worked yesterday they will work today, and that if they work today, they will work tomorrow — how can Titov, or any intelligent person, doubt that there is a God after all he (Titov) has done to prove it?" Edmunds asked.

Dr. Edmunds, president of Stetson University, made his remarks in the baccalaureate address to the Baptist college in Hong Kong. One of Edmunds' 1921 Stetson University classmates who is now librarian at Hong Kong college, Chik Leung, was his interpreter.

In his prepared remarks Edmunds said the U.S. is ready to stop nuclear testing permanently when we can be sure the Russians will do the same. When we become convinced that can be trusted, "we will destroy not only our atomic weapons, but also the bulk of our conventional armament."

The Stetson University president told his Hong Kong audience that the U.S. knows that city has had to protect itself recently from freedom-hungry refugees fleeing from Communist China. But "we have not read of any long lines of people trying to get into Peking" he declared.

Edmunds said there are no organized flights away from any country that has true freedom, and "there are no mad rushes to get into any Communist country anywhere!"

## Churches of Christ Scientist

The eternal nature of true beauty and goodness will be emphasized Sunday at Christian Science church services.

Opening selections from the Bible in the Lesson-Sermon on "Life" will include these verses from Psalm 36: "How excellent is thy loving kindness, O God! therefore the children of men put their trust under the shadow of thy wings. They will be abundantly satisfied with the fatness of thy house; and thou shalt make them drink of the river of thy pleasures. For with thee is the fountain of life: in thy light shall we see light."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (p. 346): "Life is eternal. We should find this out, and begin the demonstration thereof. Life and goodness are immortal. Let us then shape our views of existence into loveliness, freshness, and continuity, rather than into age and blight."

Airman Basic Wilburn C. Russom, son of Mr. and Mrs. Curtis O. Russom of 491 E. Third St., Pahokee, Fla., is be-

ing reassigned to the United States Air Force technical training course for aircraft maintenance specialists at Amarillo AFB, Tex.

Airman Russom, who has completed his basic military training here, was selected for the advanced course on the basis of his interests and aptitudes.

The airman is a 1961 graduate of Pahokee High School.

Mitchell Odom, airman apprentice, USN, son of Mrs. Elva Odom of Belle Glade, Fla., has reported to the Naval Air Station, Norfolk, Va.

The air station is the Navy's largest on the Atlantic Coast.

Army Reserve 1st Lt. John C. Perry, whose wife, Patricia, lives at 4661 Martingale Rd., Jacksonville, Fla., completed

two weeks of annual active duty training at Fort Eustis, Va., June 30.

Lieutenant Perry is regularly assigned as a platoon leader in the 802d Transportation Company, an Army Reserve Unit in Jacksonville, Fla.

The 26-year-old lieutenant, son of William W. Perry, 215 E. Arcade, Clewiston, is a 1954 graduate of Clewiston High School and a 1958 graduate of Florida State University. He is a member of Kappa Alpha Order.

Pvt. Jensen Morgan, Jr., USMC, son of Mrs. Lois Morgan of 72 Southeast Ave., "B" Belle Glade, Fla., was graduated from recruit training July 3, at the Marine Corps Recruit Depot, Parris Island, S. C.

The intensive training course included drastic bayonet training, physical conditioning, parades

and ceremonies and other military subjects. Three weeks of the training is spent on the rifle range where recruits fire the M-14 rifle and receive instruction in other basic Marine infantry weapons.

He has received orders to Camp Dejeune, N. C., for combat basic training.

Morgan entered the service in November 1961 and is a graduate of Belle Glade High School.

Robert C. Jones, fireman apprentice, USN, son of Mrs. Doretha Ingram of 630 Southeast Second St., Belle Glade, Fla., is serving aboard the helicopter landing platform ship USS Boxer, which is participating in PHIBULEX 2-62, an extensive amphibious landing exercise in the Caribbean.

The exercise will center around Vieques, Puerto Rico where the landings will take

place. The operation will last two months.

PHIBULEX 2-62 is under the operational command of Amphibious Squadron Ten, operating out of Norfolk, Va. Six ships carrying nearly 5,000 Navy men and Marines will be involved.

Units participating in the exercise are expected to return to Norfolk early in September.

## BIRTHS

June 16: Mr. and Mrs. Jack Geckler (Donna Jensen) announce the birth of a son, Konrad Jensen Geckler, at Knoxville, Tenn., weight 7 lbs. 8 oz. Paternal grandparents are Dr. and Mrs. William Geckler, Belle Glade and maternal grandparents, are Mr. and Mrs. Ed Jensen, Pahokee.

## Belle Glade Film Available To Civic Or Church Groups

Wilbur Rittenhouse and his wife Kay, volunteer workers for Christian Ministry to Migrants, comment that they felt Osceola School is doing a wonderful job with migrant students.

"While much remains to be done we feel that Belle Glade is outstanding in handling the influx load of workers for this comparatively small community," Mrs. Rittenhouse volunteered.

As representatives of the Brethren churches the Rittenhouses spend their weekends conducting film presentations in the surrounding cities which depict the migrant story and the economy of Belle Glade, covering a scene in film of the packing house and field work along with the nursery work at the camp.

The half hour film has been presented in Sebring and Okeechobee at Brethren Churches and they will go to Tampa, Miami and Orlando.

They will be only too glad to make the presentation before any church group or civic organization, they announced.

The program should interest most of the folks in Belle Glade and is as near as your telephone. Just call WY 6-2911 and make your request.

## Baptists Of Belle Glade Participating At State Convention

A large group of prominent colored Baptists of Belle Glade are participating on the program for the 47th Annual Session of the Progressive Baptist State Sunday School and BYPU Convention, which is convening with the First Shiloh Baptist Church at Sanford, July 17-22.

This body is an auxiliary to the Progressive Baptist State Convention of Florida which held its annual session in Belle Glade, last March.

Among those participating at the upcoming session are Rev. J. B. Adams, First St. John Baptist Church and chairman of the State Education Board; Rev. O. D. Williams, pastor, New Bethel Baptist, and Vice President of the BYPU Department; Mr. W. C. Taylor, Instructor of the Workshop, and Mrs. Annie M. Everette, Mrs. Ossie Scruggs, Mrs. Susie O. Williams, Mrs. W. C. Taylor, who will be active in various capacities.

Attending Executive Board meeting are Mrs. Amelia Houston, 2nd Vice President of the Senior Women Convention; Mrs. Rosa House, the fourth Vice President; and Mrs. O. D. Williams, Secretary.

Others include Rev. E. C. Coffie, Rev. W. M. Boyner, Mrs. Daisy Murrell, Corresponding Secretary, Senior Women Department and Mrs. Rosa Thompson, assistant recorder, Mr. and Mrs. W. R. Singleton.

Others from all sections of this and other states will attend the five-day meeting.

The sessions are being highlighted by an interesting Chris-

tian Education and Missionary Program, with outstanding preachers appearing daily. Interest also includes discussions on world events, and ways and means to support a Chris-

## Lake Shore Rec. Progressing Nicely

The Summer Program at the Lake Shore Center is progressing nicely. Since last year, the enrollment has jumped to 261. However, there are many other students in the city who are not enrolled in the Summer Program.

The Lake Shore Center took three softball games from the Rosenwald Center, June 22. Junior boys, behind the pitching of Gus Thompson won a squeaker, 7-6. Willie Webb was the pitcher.

The Lake Shore girls soundly clobbered the Rosenwald girls 14-7. Marion Kennedy was the winning pitcher, while La Mann was the losing pitcher.

The Midget boys won a close one from Rosenwald 6-5. The scores were tied for several innings, before Lake Shore pulled ahead, and maintained a one run lead for the remainder of the game.

The Lake Shore boys journeyed to Bryant, July 5, where the Junior boys trounced Bryant 11-4. The game was not without thrills. There were five home-runs on the part of the Lake Shore team. The following boys got home runs with no runner on, Robert Cato, Willie McDonald, Lawrence Chester, Willie Webb, and Willie Snead. James Freeman did an excel-

lent job of pitching. Willie Snead was the catcher.

The Lake Shore Midgets lost their second game of the summer, 4-0. Ossie Fayson was unable to hold Bryant boys as they pushed across four runs. Steve Lanier was the Lake Shore catcher.

The Arts and Crafts section is doing equally as well. Many interesting objects have been completed and are on display. Such objects as pot holders, collages, coasters, and jewelry boxes have been completed.

The students are working hard in music. Mr. Pyfrom and the students hope to present a recital at the end of the Summer Program.

Do you play Croquet? If so, come to the Lake Shore Center. We have some champion players. They are taking on all comers. You may rather pitch horseshoes, play Volley Ball, or take part in a number of other games at the Center. The Lake Shore Center is the place to go.

## Cardinals Win Seventh Straight

The Belle Glade Cardinals defeated the Riviera Beach Tigers 6-1. The win gave the Cardinals seven victories against no defeats. Alphonus Walker, a six feet five inch fast bailing right hander, allowed only three singles, struck out eleven, walked one. Walker's record is now 3-0.

The Cardinals will play Pahokee Sunday afternoon at the Lake Shore High School Field Game time 2:00 p. m. Paul Simmons is scheduled for mound duty for the Cardinals. Simmons, a curve bailing lefthander, is a senior at Lake Shore High School has a record of 1-0.

The Cardinals is under the management of Office Davis, J. T. McCoy, Booking Agent, Mack Bigalow, Willie Singleton, Business Managers. We are trying very hard to bring baseball back to Belle Glade. We feel that we are well on the way. We are asking the community to support the club as much as possible by being present at our home games.

Some of the loyal merchants and citizens contributed financially to the club. A set of new uniforms and other equipment were purchased with those funds. The club and its members appreciate the interest and effort of those persons.

## Golden Circle Award Given Connie Bowen By Ford Motor Co.

Connie Bowen, parts manager of Everglades Motor Co., Belle Glade, has been presented the first annual Golden Circle Award by Ford Division of Ford Motor Company.

The award is based on outstanding accomplishments in administration of managerial responsibilities, including department sales, sales promotion, advertising and customer satisfaction. Qualification is established by total points scored by the awarding division representative.

As a Golden Circle Award recipient, Connie receives a certificate of qualification for the honor and a coat lapel gold pin. A diamond will be added to the pin for each year he repeats the honor.

Commenting on the honor, E. B. Rickard, divisional general parts and service manager, said "This award has been designed to give much deserved recognition to Ford dealers' staff members who operate their departments in an outstanding manner."

## Social Security Office Open Mondays 9 to 12

## Doss Tabb Is New Mgr. Of Badcock Store In Largo

Doss Tabb and family will be leaving Belle Glade after residing here for 10 years. Mr. Tabb has taken over his new position as manager of Badcock Furniture Store at Largo, Fla. He was salesman at the Badcock store in Belle Glade for sixteen years, coming here from his native Oklahoma.

Mr. Tabb who has been employed by Harris Insurance Co. for eight and a half years is also taking over a new position with Chesnut Lee Insurance Agency.

The Tabbs' daughter, Sherry a senior next year, has been active in Training Union and Sunday School at the First Baptist Church. Her husband, a nine year old boy because he was swimming and did not hear their warning. We heard the sirens screaming, and we were told that they had just shot one of their guards.

We had surrendered our passports to the guards before going behind the wall. Upon our exit we had to fill out a questionnaire completely answering all questions on our passport. We had been told in advance that we must memorize our own names, or would be detained indefinitely if we made an error in the questionnaire. As we left they distributed arm loads of communist propaganda pamphlets and filled with hatred.

On the free side of the wall there were signs that meant "Concentration Camp." There were recently placed crosses on the free side indicating where people had tried to jump from the buildings across the wall to the streets of free Berlin. In front of a huge statue of Christ the Russians had criss-crossed steel and barbed wire. All utility lines connecting free Berlin had been cut and separate facilities set up.

ians, Austrians and one Spaniard. The people on the free side had pleaded with us not spend any money over the wall. A man and his wife from Austria reminded anyone starting to make a purchase not to do so.

We saw Rudolph Echeleman's quarters and where Hitler was supposed to have died. The Reichstag was still in ruins. One street, that had been named Carl Marx Street, had been cleaned and made pretty. Every few yards we stopped and they blasted away with Communist propaganda. We were there on the 9th anniversary of the East Berlin Revolution, that was when the people over threw the German rulers only to be crushed and put in shackles by the Russian Communists. Russian soldiers were everywhere but managed to get out of sight as the bus approached to keep the passengers from taking their pictures.

The sentry on duty at "Check Point Charlie" stood like a statue. This concrete wall, topped with barbed wire cut off 300,444 people from 2,200,000 families and relatives on the other side.

This wall was proof that the communist way of life was not desired. It was guarded with tanks and guns. Just before we arrived they had shot a nine year old boy because he was swimming and did not hear their warning. We heard the sirens screaming, and we were told that they had just shot one of their guards.

We had surrendered our passports to the guards before going behind the wall. Upon our exit we had to fill out a questionnaire completely answering all questions on our passport. hundred thousand spectators than any other small group.

When our candidate for Vice President was nominated eighty per cent of the delegates joined our celebration. Dr. Walter C. Campbell, Miami Beach, won over two opponents with an overwhelming vote, to become the third Vice President of Lions International. Florida Lions consider it a distinguished honor to win this selection.

**Tour Of Italy**  
As the convention came to a close I joined a Frenchman and a Greek on a tour of Italy. We rented a car to make the trip across the majestic Alps. In Toronto we found sidewalks as wide as the ones we have in New York, and super highways that don't take second place to any in the world. My foreign friends and I enjoyed this tour, and learned many things.

This trip convinced me it had grown up with the wrong impressions of foreign countries. It is true that we are ahead in progress in some things, but not in all things. It has made me appreciate the meaning of our freedom and democracy.

On our return trip from France to New York we stopped in Spain, Portugal and Santa Maria. Once again we were in New York, returning to America through customs.

## Vet. Home Loans Extended-Revised

Future entitlement for veterans of W. W. II and the Korean conflict will be based on ten years from date of discharge or release from last period of active service, any part of which occurred during either war, plus an additional period equal to one year, for each three months of active duty performed by the veteran during W. W. II or Korean conflict. Except that entitlement shall not continue in any case after July 25th, 1962.

A direct V. A. Home Loan, depends entirely on the amount of monies released by the U. S. treasury department to the V. A. during each quarter of the calendar year. When a veteran makes application to the V. A. his name is placed on a waiting list, and when his name is reached he is then notified by the V. A. that they are then ready to process his loan application.

The length of time that is required for a veteran to obtain a direct V. A. Home Loan, depends entirely on the amount of monies released by the U. S. treasury department to the V. A. during each quarter of the calendar year. When a veteran makes application to the V. A. his name is placed on a waiting list, and when his name is reached he is then notified by the V. A. that they are then ready to process his loan application.
